

3rd Email to your current list minus anyone who has schedule a discovery call

SUBJECT: Can we jump on the phone?

SUBJECT: [NAME], will you call me?

Hey there [FIRST NAME],

As I imagined, we had an overwhelming response for strategy sessions for my community members who applied for one of the no-cost [insert name of sessions here.] I made available a few days ago.

Because there were so many applications, myself and [INSERT NAME] decided to sort through the pile a bit early. [SHE OR HE] just pointed out to me that your name wasn't on the application list...

There are just 24 more hours to apply and I wanted to make sure you had a fair shot too.

If you would like one of those 17 spots, you will need to apply now.

It will take you just a few minutes to do and then tomorrow I will finish reviewing all the applications and pick the 17 that I think would most benefit from a no-cost 30 minute [INSERT NAME OF STRATEGY SESSIONS] with me.

If you are chosen you will receive an email to schedule a session with me. As a courtesy, if you are not chosen, you will also receive an email to let you know.

To apply go to insert link to calendar and fill out the short application, and press submit. I know you are busy, so I just wanted to make it super easy to apply.

Still haven't applied yet? Maybe you are not sure if this call is right for you?

Let me make it easy for you... and I'm going to be blunt.... if you can say "yes" to one or more of the following, you need to apply because you may need my help.

1. You are maxed out, working 9+ hours a day, but are not generating a stable income.
2. You have a gift you want to share with the world, and you know who you want to help, but you can't find the right buyers who are willing to pay for your products and services.

3. You have so many ideas, but deciding which one to act on has kept you paralyzed from actually moving forward and making money.

4. You know what they want to do, but are unsure of how to monetize it or the steps you need to take to make your dream become a reality.

5. You are implementing too much which is keeping you from doing any one thing with excellence or success.

6. You think the biggest problem is that their list is too small or you're not getting enough "likes" on Facebook. (If this is you, then you are in trouble!)

Go to: [\[INSERT LINK TO CALENDAR\]](#) to apply for a complimentary [\[NAME OF SESSION\]](#) call today.

If you are one of the 17 chosen applicants, I will get on the phone with you for about 30 minutes, absolutely free! Just you and me to get you focused and clear on what you need to do to build business that works for you, makes you proud and allows you to live the life you have always dreamed of. What would that mean to you?

[\[INSERT LINK TO SCHEDULE\]](#) I hope to talk to you soon!
